NORMS FOR FIXING FEES

Gayatri Residential English Medium School believes that the education of students is the most important than anything else. Fees should not be a constraint between education and students. So while fixing fees the school strictly follows the norms of State Government of Odisha and Central Board of Secondary Education. School fees are fixed according to the facilities like infrastructure like teaching, sports & games, electricity, computer, smart class, laboratories, library and other provided to the students.

Every year the revision of fees is done by school management committee after having discussion with the parents. Fees are collected in specified heading like admission fees, tuition fees, electricity fees, annual function fees, computer fees, examination fees, library fees etc.
